

## **Memorandum of Agreement**

between the

Chair of Didactics in Health and Care/ Chair of Technology and Education

**Otto von Guericke University Magdeburg**

**(Germany)**

and the

Dean of Faculty of Technology and Vocational Education

**Universitas Pendidikan Indonesia**

**(Bandung, Indonesia)**

Otto von Guericke University Magdeburg, Germany, and the Faculty of Technology and Vocational Education, Universitas Pendidikan Indonesia agree to enter into this formal Memorandum of Agreement for the purpose of the exchange of faculty and Ph.D. candidates as well as development of academic and research collaboration.

### **Article 1**

The two institutions, based upon the principles of respect for each other's independence and mutual benefit, agree to the following forms of exchange and joint activities:

- Exchange of faculty for research, teaching and other collaborative activities; particular supervision of Ph.D. research activities in areas of didactics in technology and didactics of health and care;
- Hosting of Ph.D. candidates from Universitas Pendidikan Indonesia at Otto-von-Guericke University Magdeburg
- Exchange of faculty for participation in conferences, symposia, workshops and seminars;
- Exchange of scientific and instructional information, research and extension publications, samples and educational materials;
- Establishment of joint research projects on subjects of mutual interest.

### **Article 2**

By signing this Memorandum, neither of the institution accepts any kind of obligations to finance any activities of exchange and cooperation out of their budget fund, unless special funds are being made available for this purpose. Both contracting parties will do their best to find national and international financing possibilities for the envisaged activities.
